PRESENTATION TO INTERIM PRESIDENT OSBORNE:
As this will be Steve Osborne’s last Board meeting as Interim President of the College of Charleston, Chair Hay took a few moments to thank Steve for his service to his alma mater.

“This is certainly a bittersweet occasion, but after decades of public service, he has more than earned what will hopefully be a joyous, restful, and fun retirement.

Throughout my time on the Board of Trustees and in my current role as Chair of the board, I have watched Steve showcase great passion for our academic mission and student experience.

I have witnessed his unbreakable commitment to our university and to ensuring we have the best student experience possible. He has always wanted the best for our alma mater, our students, and our faculty and staff.

For him, being interim president of the College of Charleston has never been about him; it has always been about our campus community, particularly our students.

On behalf of the Board of Trustees, I’d like to simply say: Thank you, Steve. We – the Board of Trustees – appreciate your leadership these past 13 years, more importantly this past year. It has been an honor to work alongside you, to call you a friend, and to have your support of this fine institution and
me. Thank you for all you have done and will continue to do for the College of Charleston. We, the
College community, salute you – a loyal son of the College of Charleston.

Congratulations on your retirement, Steve! I wish you all the best in this next chapter of your life. It is
well deserved. We will certainly miss you, but we know that we will see you in, and around, Charleston
as well as on campus.

And finally, you all might enjoy learning that after Steve’s final remarks as Interim President to a crowded
Faculty Senate meeting last week, he received a standing ovation. What a testament to all Steve has
done for all of us.

A replica of the College Seal in a shadow box will be presented to Steve at a drop-in on Monday, May
13, at 1:30 p.m. at the President’s House, 6 Glebe Street.”
